

With My Family

✝ Scripture Together

God our Father creates all things. By his will and through his works, we see his great power and his great love. We give thanks to God for his goodness.

As a family, read about worshiping God in **Revelation 4:11**. When you have finished, discuss the Scripture. You may use the following questions to prompt discussion:

- What does God create?
- What do you thank God for?
- How can you show your love for God?

Family Prayer

Pray together:

Thank you, Father, for making us part of your creation. Bless our family and help us care for your world. Amen.

Faith on the Go

Ask one another: *As part of God's creation, how should we use the abilities God gave us?*

ACTIVITY: Care for Creation

As a family, plant seeds in paper cups or in a garden. Tend the plants as they grow, and thank God for his creation. Discuss other ways to care for God's world.
