

With My Family

Scripture Together

The Magi traveled from the East to honor Jesus. On their way, they met King Herod. He was worried by the news of another king. Herod wanted the Magi to come to him after visiting Jesus. The Magi were warned in a dream to go home another way.

As a family, read about the Magi's visit to baby Jesus in **Matthew 2:8–12**. When you have finished, discuss the Scripture. You may use the following questions to prompt discussion:

- What gifts did the Magi give to baby Jesus?
- If you were with the Magi, what would you bring to Jesus?
- How can you honor and praise Jesus during this season?

Faith on the Go

Ask one another: *What is your favorite Christmas tradition?*

ACTIVITY: Who's Who

Visit the Nativity scene at your church as a family, or make your own Nativity scene. Identify each person, angel, and animal in the scene. If you craft your own scene, listen to "We Three Kings" and other Christmas carols as you work.

Family Prayer

Pray together:

End a meal by asking each family member to read part of the Nativity story from Luke 2:1–19 or Matthew 2:1–12. Conclude the reading by praying together *Amen*.
