

With My Family

📖 Scripture Together

Jesus tells us to love God the Father. Jesus tells us to love our neighbors.

As a family, read about showing love in **Mark 12:28–31**. When you have finished, discuss the Scripture. You may use the following questions to prompt discussion:

- How must we love God the Father?
- Whom does Jesus tell you to love?
- How can you love your neighbors?

Faith on the Go

Ask one another: *How do you show love for God?*

Family Prayer

Pray together:

God our Father, thank you for showing us your love. May we always show your love to one another. Amen.

ACTIVITY: An Act of Love

How does our family show love for one another? Look through family photographs and make an album of family members showing love for one another.
