

With My Family

📖 Scripture Together

The Good News of Jesus must be proclaimed. The disciples were the first people to share the Lord’s message of love. They were guided and empowered by the Holy Spirit. Today, the Spirit also helps us continue the mission of telling others about Jesus.

As a family, read **Acts of the Apostles 2:38–41**. Then discuss the Scripture passage using the following questions to guide you:

- How many people were baptized on that day?
- Imagine how Peter spoke to the crowd. How would you describe it?
- How can you share the Good News of Jesus like Peter did?

Family Prayer

Pray together:

Heavenly Father, help us remember that your Son, Jesus, is the vine and we are the branches. Amen.

Ready for the Sacraments

Ask one another: *How could you share the Good News without using words?*

ACTIVITY: Messages of Love

At a family meal, have everyone finish this sentence for every other family member: *One thing I appreciate about you is...*
Speak from the heart.
