

# With My Family

## Scripture Together

To share in the life of Christ, we must avoid doing wrong and hurting others. We must choose to act with love and kindness.

As a family, read **Ephesians 4:30–32**. Then discuss the Scripture passage using the following questions to guide you:

- What behaviors does Paul say you must avoid? What does he say you must do?
- What other behaviors would you add to each list?
- How can you put these behaviors to work in your home?

### Family Prayer

**Pray together:**

Dear God, help us show one another your kindness and compassion. Amen.

### Ready for the Sacraments

Ask each family member to tell about a time he or she made something right, after doing something wrong. How did he or she feel afterward?

### ACTIVITY: Family Code

As a family, make a code of conduct Dos and Don'ts List based on the rules and behaviors that Saint Paul gives the Ephesians. Display it on the refrigerator or in another prominent place in the home.
