

With My Family

Scripture Together

There was great joy the day that Jesus was born. Angels proclaimed that Jesus is the Messiah and Lord. This means that Jesus is God's Son and the Savior of the world.

As a family, read **Luke 2:1-14**. When you have finished, discuss the Scripture using the following questions to guide you:

- How was Jesus welcomed at his birth?
- What would you say if an angel appeared to give you the news of Jesus' birth?
- How does the birth of Jesus give you hope?
