

## With My Family

### Scripture Together

To praise God means that we express our respect and devotion to him. We can praise God in prayer, song, and dance, and by loving him with all our hearts. We praise God because his goodness and love never ends.

As a family, read **Psalm 145: 1–8**. When you have finished, discuss the Scripture using the following questions to guide you:

- What is celebrated in these verses?
- What is one of God’s deeds that you celebrate?
- How can you praise God’s wonders?

### Ready for the Sacraments

Invite family members to draw crosses on sticky notes and place them where they feel God’s presence in your home. Discuss these special places.

### ACTIVITY: Celebration at Mass

Continue the community of Mass by gathering together for meals. Discuss how you can praise God in your daily lives.

### Family Prayer

#### Pray together:

Dear Lord,  
You feed us with your love and grace. Help us treat one another with kindness and respect. Let us celebrate the wonders of creation. Amen.
