

With My Family

Scripture Together

We are God’s masterpiece. He made each of us perfect and unique, and he knows everything about us.

As a family, read **Psalm 139:13–14**. When you have finished, discuss the Scripture passage using the following questions to guide you:

- Why does the writer of this psalm praise God?
- What is an interest or hobby of yours that shows how wonderful God made you?
- What qualities do you and your family members have that show you are wonderfully made?

Ready for the Sacraments

We trust our families to be there for us. Have family members finish the sentence “I trust you to”

ACTIVITY: Great Ideas

Make a collage with pictures of your family members. Include words that describe their best traits. Remember to praise and affirm one another often.

Family Prayer

Pray together:

Dear Jesus, give our family the strength to follow your Commandments and show others your love. Amen.
