

# With My Family

## Scripture Together

It saddens us to lose something we cherish, but when we find it, we have great joy. This is how God feels when a person who wandered away from him finds faith.

As a family, read **Luke 15:8–10**. When you have finished, discuss the Scripture passage using the following questions to guide you:

- What do the angels of God rejoice about?
- God is determined to find us when we are far from him. What does this tell you about God’s love?
- What can you do to stay close to God?

## Ready for the Sacraments

Say you’re sorry without excuses or blame. God always forgives us when we’re sorry, so we never have to hide our sins from God.

### ACTIVITY: Hearts of Forgiveness

As a family, color and cut out forgiveness hearts. Give a heart to a family member when he or she says sorry.

## Family Prayer

### Pray together:

Dear Lord, help us admit when we are wrong and ask forgiveness from you and one another. Amen.
