

With My Family

Scripture Together

The parable of the growing seed helps us understand the Kingdom of God. Think of what you know about seeds and how plants grow.

As a family, read **Mark 4:26–29**. When you have finished, discuss the Scripture. Use the questions below to guide you:

- Who makes the seeds sprout and grow?
- What do you learn about the Kingdom of God from the parable?
- What can you trust God to do for you today?

Faith on the Go

Ask one another: *What is your favorite parable? What does it teach?*

ACTIVITY: Planting Seeds

Plant seeds in a small glass or plastic container filled with soil. Water the seeds each morning until they sprout. Observe the seeds' growth and discuss as a family what they show us about the Kingdom of God.

Family Prayer

Pray together:

Dear God, help us see ways we can show kindness to other people. Lead us in finding ways to serve your kingdom. Amen.
