

With My Family

✚ Scripture Together

God the Father created the universe from nothing, giving it shape, light, and infinite beauty. We are also part of his creation. Caring for one another and the earth is a way to thank and glorify God.

As a family, read aloud the story of God’s creation in **Genesis 1:1—2:3**. When you have finished, discuss the Scripture. Use the questions below to guide you:

- What are some of the things the Scripture says God creates?
- What words in the Scripture tell you that God cares for his creations?
- Why is it important to rest as God does on the seventh day?

Family Prayer

Pray together:

Dear God, help our family use our free will to choose to care for everything you have given us. Amen.

Faith on the Go

Ask one another: *If you could fill a backyard with one thing from God’s creation, what would it be? Why?*

ACTIVITY: Enjoy Nature

Choose a location outdoors, such as your backyard or a neighborhood park, and spend time enjoying the beauty of creation. Point out different features that you enjoy seeing, smelling, touching, or hearing.
