

With My Family

Scripture Together

Church leaders share Jesus' teachings with us through the Scriptures. God gives us his Holy Spirit to help us be true to what the Bible says.

As a family, read about why we should obey the Bible in **2 Timothy 3:14-17**. Use these questions to prompt discussion about the Scripture:

- What do you learn from reading the Bible?
- How does knowing about the life of Jesus help you be faithful to him?
- How do you honor the Word of God?

Faith on the Go

Ask one another: *What is your favorite story about Jesus? What does it teach you?*

ACTIVITY: Pastor Praise

Make a thank-you package of letters and drawings for your pastor. Include messages of appreciation.

Family Prayer

Pray together:

God, our Father, thank you for making us part of your Church with brothers and sisters all over the world. Bless and guide our Church leaders. Amen.
