

## With My Family

### Scripture Together

We live our faith when we keep Jesus' word. At times it may be difficult to overcome temptations, but our faith and our love for Jesus Christ will bring us to salvation.

As a family, read about the blessing of believing in Jesus' love in **1 Peter 1:6–9**. Use these questions to prompt discussion about the Scripture:

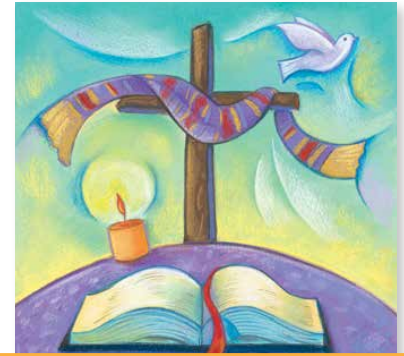

- In what do we as Jesus' followers rejoice, even during hard times?
- Even though you cannot see Jesus, how do you know he is here?
- How do you celebrate Jesus' presence in your life?

### **Faith on the Go**

Ask one another: *Whom do you admire for helping others? Why?*

### **ACTIVITY: Family Service**

Together, make a list of ways your family can serve one another and others. Choose one way and make a commitment to do it during the next week.

### Family Prayer

#### **Pray together:**

Dear Jesus, help us reflect on God the Father's love and practice the virtue of fortitude when we face difficulties and temptations. Amen.
