

## With My Family

### Scripture Together

Jesus healed people who were sick and suffering. He teaches us to have faith in God the Father.

As a family, read about Jesus healing a follower in **Mark 10:46–52**. You may use the following questions to prompt discussion about the Scripture:

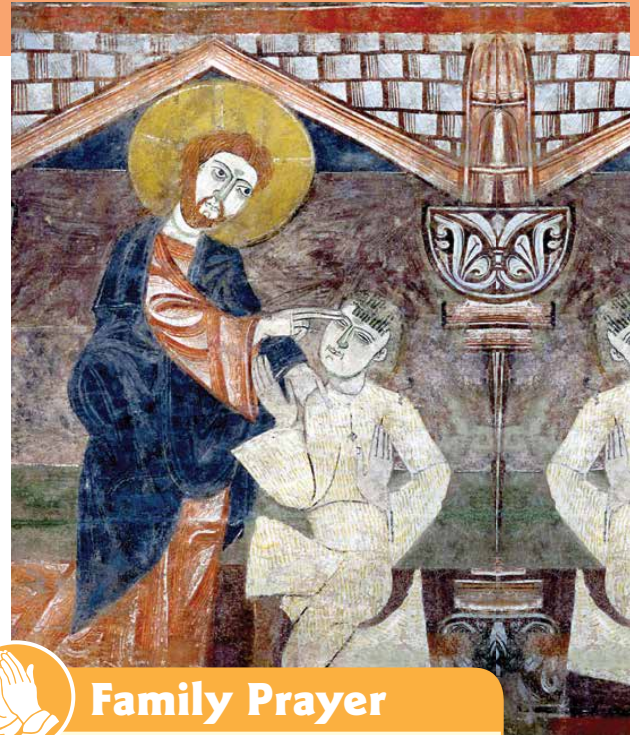

- How does Jesus heal Bartimaeus?
- How does Bartimaeus show faith, even though people tell him to be quiet?
- How would you answer Jesus if he asked you what you need?

### **Faith on the Go**

Ask one another: *What is a way you can practice one of the works of mercy this week?*

### **ACTIVITY:** Help at Home

Each tell one way you will make an extra effort to help someone in your family.

### Family Prayer

#### **Pray together:**

Jesus, show us how to bring comfort and help to people in need. Amen.
