

With My Family

Scripture Together

God creates everything that is. Thinking about this can fill us with wonder. We love God more deeply because of his amazing creation. We love creation more deeply because it comes from God. We love one another more deeply because we know we are created in God's image and belong to him. One way to express this wonder and love is through praise.

As a family, read **Psalm 95:1–5**. When you have finished, discuss the Scripture. Consider the following questions to help guide discussion:

- What parts of creation are said to belong to God?
- How do you know that God loves you and the rest of his creation?
- How can you praise and thank God for his wonderful works?

Faith on the Go

Ask one another: *Which aspect of God's creation fills you with the most wonder? Why?*

ACTIVITY: Praise in Action

Do something as a family to show your love and respect for God's creation. Plant flowers, remove weeds, or pick up trash. Use your work to praise God.

Family Prayer

Pray together:

Creator God, bless our family. Help us respect and care for one another and for all the things in creation. Amen.
