

With My Family

Scripture Together

God wants us to enjoy life, but when we grow overly attached to the things of this world, we separate ourselves from God. When a rich young man asked Jesus how to obtain eternal life, Jesus' answer revealed the young man's true priorities.

As a family, read **Matthew 19:16–24**. Consider the following questions to help guide discussion:

- Why did Jesus' answer make the rich young man sad?
- If you had been in the young man's place, what might Jesus have asked you to give up?
- How can you adjust your life so that your attachments do not keep you from God?

Faith on the Go

Ask one another: *If an article were written about you, how do you think it would describe you?*

ACTIVITY: Family Giveaway

Research the donation needs of a local charity. Gather family possessions that fit those needs, including at least one highly valued object from each person. Donate those possessions.

Family Prayer

Pray together:

God, we want to remain close to you. Help us remove anything in our lives that stands between us and your loving presence. Amen.
