

With My Family

Scripture Together

We are all called to be modern-day prophets. God blesses us and helps us turn away from evil. God wants us to proclaim his message. He wants us to encourage others and give them hope.

As a family, read about how we have all received God's blessing to be prophets in **Acts of the Apostles 3:24–26**. When you have finished, discuss the passage. Use the following questions to help guide discussion:

- As prophets, what are we called to do?
- In what ways can you share this message as a child of the prophets?
- What problem do you think should be addressed in today's world?

Faith on the Go

Ask one another: *What is our family being called to do to help others? How will we respond to that call?*

ACTIVITY: Promote Justice

Find a magazine or news article about a social injustice. As a family, write a letter to the editor of the publication in response to the article offering a possible solution.

Family Prayer

Pray together:

Heavenly Father, thank you for sending your prophets and your Son, Jesus, to teach us your will. Amen.
