

# With My Family

## Scripture Together

God gives us many gifts to carry out his work. We are called to care for all that he creates.

As a family read this passage in **Isaiah 45:12**.

When you have finished, discuss the Scripture. Use the questions below to guide your discussion:

- Who is “I,” the one that made the earth and the people who walk on it?
- Where do you feel most connected to God’s creation?
- How can you show gratitude to God for creating you and our family?

### Family Prayer

#### **Pray together:**

Dear God, thank you for creating our family. Help us to care for each other and other people as you care for us. Amen.

### **Faith on the Go**

Ask one another: *What are your three favorite things that God creates?*

#### **ACTIVITY: Care for Creation**

This week do something as a family to care for God’s creation. Pick up litter in your neighborhood, reuse grocery bags when you go shopping, or volunteer at a community garden. Talk about what you learned doing these things together.
