

With My Family

Scripture Together

The Gospel of John begins by showing the connection between God the Father and his Son, Jesus. These verses also remind us that God created everything and that the world would not exist without his love.

As a family, read the beginning of John's Gospel in **John 1:1-3**. When you have finished, discuss the Scripture. Use the following questions to guide your discussion:

- Who is the Word in these verses?
- Why do you think this Gospel writer wanted people to know that Jesus was with God the Father from the beginning?
- How do you show that you are united with God the Father and his Son, Jesus?

Family Prayer

Pray together:

God the Father, Creator of all things, teach us to be responsible stewards of the people and environment you have given us. Amen.

Faith on the Go

Ask one another: *What is one thing we can do in our family to show that we are following God's call to care for our world?*

ACTIVITY: Pray for Creation

As a family, visit a park, forest, river, ocean, or lake. Find a quiet area where you can pray together a prayer of intercession, asking the Holy Spirit to guide people to care for the plants, animals, and environment where they live.
